We the "OWL" Staff take great pride in presenting Miss Barbara Rhinehart and "Red" Brogan as our Prom King and Queen. The contest was a popularity poll sponsored by the "OWL," with Seniors as candidates. We hope that in the future our King and Queen may grow into a Mr. and Miss O.H.S. This contest was the first of its kind, and due to the interest shown we are sure that a Prom King and Queen will be elected every year.

Dear Babes,

Well, we're finally in the final stage of our 4 starved years at CHS. They say that the night is blackest just before the dawn, so maybe the next 4 years will be so happy that the memories of our revolting senior year will be lost completely. But we've had our fun, too, I guess. Remember staying awake til 3 o'clock to catch that ~~4~~ 6:00 train and then playing on the swings instead of sleeping. And just think about the wonderful days (and nights) on the barge, the nostalgic thoughts associated with that great Nat "King" Cole album and the Ray Charles record as well. Golly, remember the crazy nights that we dreamed of having dates with the 2 Williams? How DUMB!! I could go on forever, but considering the 2 very formal sentences that you wrote in my "OWL", I don't think you deserve any more of my valuable time! Lay off the cokes, kid, they're no good for a sweet conceited kid like you. Be good and remember the good times in the past, the joys, tears, laughter and keep your chin up. After all, things may look up yet!

Love Always,

Butts

Don't forget the
good and bad times in
Nashville. The top of the curtains,
the bathroom, the policeman that brought Rose
home back, "Walk on the wild side, the
boys next door, and for heavens sake don't
forget "Sell your — to stop knocking on
the wall." Had such and best wishes on
you do in the future. Your friend,
Bonnie

Bales.

You don't deserve ~~this amount of~~ my most valuable time, but I will ~~use~~ use some of it anyway just for ^{the} check (if I

Well, I can't think of anything else to say, so I'll close. No really, I don't have ^{or} room to say everything I would like too.

We have had some pretty (different) times together. (Notice I say different because I think we have ~~done~~ ^{done} everything possible.) I won't be like everyone else and tell you to remember the good times we have had because knowing some of the things we have ~~done~~ ^{done}, said, and seen, it would be better if we forgot them. (Now that wasn't too nice but some of them weren't either.) Maybe one of these days ~~we~~ ^{with} me you and bats really will get to do some of the things we have talked ^{about}. (Heaven help the world if we ever do.)

So, now look at all the space I have taken up writing about nothing important. Take that back it was pretty d — important.

Thanks every so much for listening to me, saying a few things with me and having a few cokes with me. Don't know what I would have done without you. (Boy am I ever going to have a rough time next year.) Maybe I'll have a week by then and won't have to worry about anything.

Just one other famous remark, stay away from male creatures and people like me, because we don't cause anything but a H — of a lot of trouble

Love,

Beka
